Exam Results

We are delighted to announce we have now received all the Examination results from the Spring term. We were very fortunate to host all our scheduled sessions before the lockdown came into place. The ISTD & RAD apologised for the delay in dispatching results, however, due to the current pandemic, their headquarters have been closed and many of their staff furloughed. We will send you an email with your child's exam result, although we will wait to hand out certificates and mark sheets next term as we anticipate our return

to our venues. Please bear with us as we have over 130 exam results to email!

Preparing for our return to venues

As the schools begin to reopen and the lockdown is slowly being lifted we have been making preparations to return to our venues when it is safe to do so. We are currently waiting for government advice and confirmation from our local council to confirm when we are allowed to re-open the school.

Our teachers have been busy with online training in preparation to teach in person again. We are hoping to return, ready for the Autumn term, we will keep you updated when we hear more. In the meantime, we are loving our zoom classes and we're so pleased to see you all each week! Keep dancing and keep smiling, you are all doing a fantastic job.

On Sunday 40 of our tappers took part in the **Roy Castle National Tapathon**. We set a target to raise £100 and we are so proud to announce we have raised a total of **£509.88** including gift aid for the Roy Castle Lung Cancer Foundation! Thank you for your generous donations, it is helping people all over the UK! Well done to everyone who took part, students, adult tappers, teachers and parents it was so lovely to come together as a school (virtually) and raise money for this fantastic cause! Congratulations to everyone involved, this event has raised over £50,000 in total!
